

Austin Hammond

Student at UW-Oshkosh

My name is Austin Hammond and I grew up in Northeast Wisconsin. After high school I went on to study Digital Media Technology at Northeast Wisconsin Technical College in Green Bay. During my time at NWTC I had the exciting opportunity of studying abroad in Ireland at the Waterford Institute of Technology. In the spring of 2018 I began my first semester at the University of Wisconsin Oshkosh, Oshkosh campus. Currently, I'm in my last year of college as a Political Science major with a minor in Social Justice. I'm also a senator in the Oshkosh Student Association. During my time in the student senate I've served on the Student Allocation Committee and have worked on several resolutions. The one I am most proud of is my resolution for carbon neutrality by 2030. I enjoy spending my free time outdoors, being involved in politics, and staying connected at my church.
